

## Happy Hacking Keyboard FAQs

Question	Answer
How can I find out all of the functions of the HHKB?	Please refer to the User Manual to learn all of the DIP switch settings, functions and ways you can personalize your keyboard. You can also learn more in the User Manual found on <a href="http://hhkeyboard.us/userguides/">hhkeyboard.us/userguides/</a> .
How can I activate Caps Lock?	It depends on which mode is set through the DIP switch on the back of the keyboard. <ul style="list-style-type: none"> <li>• HHK mode: Caps Lock is not available.</li> <li>• Lite Ext. or Mac mode: Press Fn + Tab to activate or deactivate Caps Lock.</li> </ul>
I want to have the Fn keys on both sides. Can I change the key layout?	Yes, the  or Alt key on the left side can be used as an Fn key by changing the DIP switch settings on the back of the keyboard.
Is my HHKB compatible with Sun Microsystems' servers or workstations?	No, they are not supported as HHKB is not detected by OBP (Open Boot Prom).
Can I connect my HHKB to more than one computer interchangeably through a KVM switch?	No. KVM switches are not supported. You will need to connect the keyboard directly to a computer.
Can the Delete key function as a Backspace key?	Yes. The Delete key can be used as a Backspace key by configuring the DIP switch settings. The key however always functions as a Delete key in Mac mode.
Can I use a USB to PS/2 converter?	No. Conversion from USB to PS/2 is not supported.
I cannot use the Eject key or the multimedia keys (Volume Up/Volume Down/Mute) on the keyboard.	The multimedia keys are available with Mac, however they are not available with Windows.
I cannot use the Eject key on my HHKB. How can I use them?	The Eject key is not available.
Can I power on or off a computer through my HHKB?	Yes, you can power off a computer using HHKB. To do so, use the Power key (Fn + Esc) on the keyboard. However, HHKB cannot power on a computer. Please use the power button on the computer to turn it on.
What happens if something goes wrong with my HHKB?	If you're having trouble with your HHKB, please contact our Customer Support at (800) 626-4686, M-F, 5-5 PT.
What kind of warranty does the HHKB come with?	The HHKB comes with a 1 year certified U.S. manufacturer's warranty. If you register your keyboard, you will receive 2 additional years free. You can register your keyboard at <a href="http://hhkeyboard.us/registration/">hhkeyboard.us/registration/</a> .

Where can I purchase the HHKB?	The HHKB can be purchased on Amazon.com/hhkeyboard or on the <a href="#">Fujitsu Scanner Store</a> .
Who manufactures the HHKB?	The HHKB is a PFU Limited brand manufactured by Topre, Inc. PFU Limited is a subsidiary of Fujitsu Ltd and the parent company of Fujitsu Computer Products of America, Inc. (FCPA). FCPA is the sole authorized seller of the HHKB in the U.S.
What do I do if I need a replacement part?	If you need to replace a part on your HHKB, such as a key cap or USB cord, please contact our Customer Support at (800) 626-4686, M-F, 5-5 PT.
